	But now the sky has cleared and it's blue
Hold me closer one more time	And I see my (16) in you
Say that you love me in (1) last goodbye	I'll be waiting
Please forgive me for my sins	For you when you're ready to love me again
Yes, I swam dirty waters	I put my hands up
But you pushed me in	I'll do everything different
've (2) your face under every sky	I'll be better to you
Over (3) (4) and on	I'll be waiting
(5) line	For you when you're ready to (17) me again
You know my (6) more than I do	I put my hands up
Ne (7) the greatest, me and you	I'll be somebody different
But we had time (8) us	Time against us (time against us)
And miles between us	Miles between us (miles (18) us)
The (9) cried	Heavens cried
know I left you speechless	I (19) I (20) you speechless
But now the sky has cleared and it's blue	Time (21) us (time against us)
And I see my future in you	Miles between us (miles between us)
'll be waiting	Heavens cried
For you when you're (10) to love me again	I know I left you speechless
put my hands up	I know I left you speechless
'll do (11) different	But I'll be waiting
'll be better to you	I'll be waiting
'll be waiting	For you when you're ready to (22) me again
For you when you're ready to love me again	I put my hands up
put my hands up	l'Il do (23) different
'll be somebody different	I'll be better to you
_et me stay here for just one more night	I'll be waiting
Build your world around me	For you when you're ready to love me again
You better pull me to the light	I put my hands up
So I can (12) you that I was wrong	I'll be somebody different
See, I was a child then	I'll be better to you
But now I'm willing to learn	
But we had time (13) us	
And miles (14) us, the heavens cried	
(15) Lleft you speechless
