

## Fill in the gaps

Hold me closer one more time
Say that you love me in your last goodbye
Please forgive me for my sins
Yes, I swam dirty waters
But you pushed me in
I've seen your face under every sky
Over every border and on every line
You know my heart more than I do
We were the greatest, me and you
But we had time against us
And miles between us
The (1) cried
I know I left you speechless
But now the sky has cleared and it's blue
And I see my future in you
I'll be waiting
For you when you're ready to love me again
I put my hands up
I'll do everything different
I'll be better to you
I'll be waiting
For you when you're ready to (2) me again
I put my hands up
I'll be somebody different
Let me stay (3) for just one more night
Build your world (4) me
You better pull me to the light
So I can tell you that I was wrong
See, I was a child then
But now I'm willing to learn
But we had time against us
And miles between us, the heavens cried
I know I left you speechless

But now the sky has cleared and it's blue
And I see my (5) in you
I'll be waiting
For you when you're ready to love me again
I put my hands up
I'll do everything different
I'll be better to you
I'll be waiting
For you when you're ready to love me again
I put my hands up
I'll be somebody different
Time (6) us (time (7) us)
Miles between us (miles between us)
Heavens cried
I know I left you speechless
Time against us (time against us)
Miles between us (miles between us)
Heavens cried
I know I (8) you speechless
I know I left you speechless
But I'll be waiting
I'll be waiting
For you when you're ready to love me again
I put my hands up
I'll do everything different
I'll be (9) to you
I'll be waiting
For you when you're ready to love me again
I put my hands up
I'll be somebody different
I'll be better to you
