

I've imagined it all

## Fill in the gaps

You'll never know if you never try

You've (1) on my mind	To forgive my past and simply be mine
grow fonder every day	I dare you to let me be your
Lose myself in time	Your one and only
Just (2) of your face	I promise I'm worth it
God only knows	To hold in your arms
Why it's taken me so long	So come on and give me the chance
To let my doubts go	To prove that I am the one who can
You're the only one that I wanted	Walk that mile
don't know why I'm scared	Until the end starts
Cause I've been here before	(I know it ain't easy giving up your heart)
Nith every feeling, every word	(I know it ain't easy giving up your heart)
've imagined it all	(Nobody's perfect)
You'll never know if you (3) try	(I know it ain't easy giving up your heart)
To forgive your past and simply be mine	(Nobody's perfect)
dare you to let me be your	(I know it ain't easy (7) up (8)
Your one and only	heart)
promise I'm (4) it	I know it
To hold in your arms	I know it
So come on and give me the chance	Nobody's perfect
To (5) that I am the one who can	(I know it ain't easy giving up your heart)
Walk that mile	So I dare you to let me be your
Until the end starts	Your one and only
f I've been on your mind	I promise I'm worth it
Do you hang on every word I say?	To hold in your arms
ose yourself in time	So come on and give me the chance
At the mention of my name	To prove that I am the one who can
Will I ever know	Walk that mile
How it (6) to hold you close?	Until the end starts
And have you tell me	Come on and (9) me the chance
Whichever road I choose, you'll go?	To prove that I am the one who can
don't know why I'm scared	Walk (10) mile
Cause we've been here before	Until the end starts now
With every feeling, every word
