

Fill in the gaps

Didn't I (1) it all	Take it all with you
Tried my best	Don't look back
Gave you everything I had	At (6) crumbling fool
Everything and no less?	Just (7) it all
Didn't I do it right?	With my love
Did I let you down?	Take it all
Maybe you got too used to	With my love
By having me around	I will change if I must
Still how can you walk away	Slow it down and bring it home
From all my tears?	I will adjust
It's gonna be an empty road	(Oh) if only, if (8) you knew
Without me right here	Everything I do is for you
But go on and take it	But go on and (9) it (take it)
Take it all with you	Take it all with you
Don't look back	Don't look back
At this crumbling fool	At this crumbling fool
Just take it all	Just take it (take it)
With my love	Take it all with you
Take it all	Don't look back
With my love	At (10) crumbling fool
Maybe I should leave	Just take it all
To (2) you see	With my love
Nothing is better (3) this	Take it all
And this is everything we need	With my love
So is it over?	Take it all
Is this really it?	With my love
You've given up so easily	
I (4) you loved me more (5) this	
But go on and take it (take it)
