Fill in the gaps

Until My Last Breath by Tarja Turunen

Cannot cry it loud enough	wisnes slowly crossing over
I'm (1) up this ghost	In this parade of pain
How can I still justify	Until my last breath
When you deny my voice	You'll never know
In (2) nothing I'm not allowed	Until you feel the silence
I just (3) alone	When I am gone
Words as weapons without a sound	Now it's vanishing
Echoes dying unborn	Everything
Until my (4) breath	What we might have been
You'll (5) know	Only now your prays
Until you feel the silence	Call my name
When I am gone	But you won't see again
Now it's vanishing	Until my last breath
Everything	You'll (9) know
What we might have been	Until you feel the silence
Only now your prays	When I am gone
Call my name	Now it's vanishing
But you won't see again	Everything
Who can (6) this memory?	What we might (10) been
Inside it (7) to burn	Only now your prays
Worship by the enemy	Call my name
The guilty take their turns	But you won't see again
Watching as it's disappearing	
Shadows all (8) remain
