

Shadows all that remain

Fill in the gaps

Until My Last Breath by Tarja Turunen

Cannot cry it loud enough		Wishes (13)	_ (14)	_ over
I'm giving up (1) ghost		In this parade of pain		
How can I (2) justify		Until my (15) bre	eath	
When you deny my voice		You'll never know		
In (3) nothing I'm not allowed		Until you (16) th	ne silence	
I (4) follow alone		When I am gone		
Words as (5) (6)	а	Now it's vanishing		
sound		Everything		
Echoes (7) unborn		What we (17)	(18) been	
Until my last breath		Only now (19) p	orays	
You'll never know		Call my name		
Until you feel the silence		But you won't see again		
When I am gone		Until my last breath		
Now it's vanishing		You'll never know		
Everything		Until you (20) th	ne silence	
What we might (8) been		When I am gone		
Only now (9) prays		Now it's vanishing		
Call my name		Everything		
But you won't see again		What we might have been		
Who can change (10) memory?		Only now (21) p	orays	
Inside it (11) to burn		Call my name		
Worship by the enemy		But you won't see again		
The guilty (12) their turns				
Watching as it's disappearing
