Shadows all that remain

Fill in the gaps

Until My Last Breath by Tarja Turunen

Cannot cry it loud enough		Wishes slowly crossing over	Wishes slowly crossing over	
'm (1)	up this ghost	In (6) parade of pain		
How can I still justify		Until my (7) breath		
When you deny my voice		You'll never know		
n this (2) I'm not allowed		Until you feel the silence		
just follow alone		When I am gone		
Words as (3)	without a sound	Now it's vanishing		
Echoes dying unborn		Everything		
Jntil my (4)	breath	What we might have been		
You'll (5)	know	Only now (8) prays		
Until you feel the silence		Call my name		
When I am gone		But you won't see again		
Now it's vanishing		Until my last breath		
Everything		You'll never know		
What we might have been		Until you (9) the siler	псе	
Only now your prays		When I am gone		
Call my name		Now it's vanishing		
But you won't see again		Everything		
Who can change this memory?		What we might have been		
nside it needs to burn		Only now your prays		
Norship by the enemy		Call my name		
The guilty take their turns		But you won't see again		
Watching as it's disappearing
