

Fill in the gaps

I wanna be the minority			A free for all	
I don't need your authority			**** 'em all	
Down with the moral majority			"You are your own sight"	
'Cause I wanna be the minority			'Cause I wanna be the minority	
I pledge allegiance to the underworld			I don't need your authority	
One (1) under dog			Down with the moral majority	
There of which I stand alone			'Cause I wanna be the minority (hey!)	
A face in the crowd			One light, one mind	
Unsung, against the mold			Flashing in the dark	
Without a doubt			Blinded by (5)	of a (6)
Singled out			(7) hearts	
The only way I know			"For crying out loud"	
'Cause I wanna be the minority			She screamed (8) me	
I don't need your authority			A free for all	
Down with the moral majority			**** 'em all	
'Cause I wanna be the minority			You are your own sight	
Stepped out of the line			'Cause I wanna be the minority	
Like a (2) runs from the herd		I don't need your authority		
Marching out of time			Down with the moral majority	
To my own beat now			'Cause I wanna be the minority	
The only way I know			(I wanna be) the minority	
One light, one mind		(I wanna be) the minority		
Flashing in the dark		(I wanna be) the minority		
Blinded by silence of a	(3)	broken hearts	(1 (9)	be) the minority!
"For (4)	out loud" she screamed unto me
