

Fill in the gaps

If you only knew	It's 4:03 and I can't sleep
I'm (1) by a thread the web I spin for you	Without you next to me I
If you (2) knew	Toss and turn like the sea
I'd sacrifice my beating heart before I lose you	If I drown tonight
I still hold onto the letters	Bring me back to life
You returned	Breathe your breath in me
I (3) I've lived and learned	The only thing that I still believe in is you
It's 4:03 and I can't sleep	If you only knew
Without you next to me I	If you only knew
Toss and (4) like the sea	I still hold onto the letters
lf I drown tonight	You returned
Bring me back to life	You help me live and learn
Breathe (5) breath in me	It's 4:03 and I can't sleep
The only thing that I still believe in is you	Without you next to me I
If you only knew	Toss and turn like the sea
If you only knew	If I drown tonight
How (6) times I counted	Bring me back to life
All the words that went wrong	Breathe your breath in me
If you only knew	The only (9) that I still believe in is you
How I (7) to let you go	Believe in is you
Even (8) you're gone	I still (10) in you
I don't regret any days I spent	If you only knew
Nights we shared	
Or letters that I sent
