

Fill in the gaps

Mama told me not to waste my life	And they can't detain you
She said (1) your wings my	'Cause wings are made to fly
(2) butterfly	And we don't let (15) bring us down
Don't let what (3) say keep you up at night	No matter what you say it won't hurt me
And if they give you shhh	Don't matter if I fall from the sky
Then they can walk on by	These wings are made to fly
My feet, feet can't touch the ground	I don't need no one saying
And I can't (4) a sound	(Hey, hey, hey, hey)
But you just keep on (5) up your mouth,	I don't hear no one saying
yeah	(Hey, hey, hey, hey)
Walk, (6) on over there	You'd better keep on walking
'Cause I'm too fly to (7) (oh yeah)	I don't wanna hear your talking
Your words don't mean a thing	Boy'd, you'd better keep on walking
I'm not listening	I don't wanna hear your talking
Keep talking, all I (8) is	Your words don't (16) a thing
Mama told me not to waste my life	I'm not listening
She said spread your wings my little butterfly	They're just like water off my wings
Don't let what they say keep you up at night	Mama told me not to waste my life
And they can't detain you	She said spread your wings my little butterfly
'Cause wings are made to fly	Don't let what they say keep you up at night
And we don't let nobody bring us down	And they can't detain you
No (9) what you say it won't hurt me	'Cause (17) are made to fly
Don't matter if I fall from the sky	And we don't let nobody bring us down
These wings are made to fly	No matter what you say it won't hurt me
I'm firing up on that runway	Don't matter if I (18) from the sky
I know we're gonna get (10) someday	These (19) are made to fly
But we don't need no ready steady go, no	And we don't let nobody (20) us down
Talk, talk turns into air	No matter what you say it won't hurt me
And I don't even care (oh yeah)	Don't matter if I fall from the sky
Your words don't mean a thing	These wings are made to fly
I'm not listening	
Keep talking, all I know is	
Mama told me not to (11) my life	
She (12) spread (13) wings my	
(14) butterfly	
Don't let what they say keep you up at night	

1. spread
