

## Fill in the gaps

Found (1) I lost inside
My (2) has been purified
Take a thorn from my pride
And hand in hand
We'll (3) a (4) outside
Thank you for the sun
The one that shines on everyone
Who feels love
Now there's a million years
Between my fantasies and fears
I (5) love
I'm (6) all that I see
Now all my (7) fill the air I breather
Now you understand
That this is not the promised land
They spoke of
There's nothing more to be

If you can be the remedy
Who heals love
I thank you for the sun
The one that shines on everyone
Who feels love
Now there's a million years
Between my fantasies and fears
I feel love
I thank you for the sun
The one that shines on everyone
Who feels love
Now there's a million years
Between my fantasies and fears

I feel love
