Have A Nice Day by Bon Jovi

Fill in the gaps

Why, you wanna tell me how to live my life?	I'm gonna live my life
Who, are you to (1) me if it's black or white?	Shining like a diamond
Mama, can you hear me? Try to understand	Rolling with the dice
Is innocence the difference between a boy and a man	Standing on the ledge, I show the (7) how to fly
My (2) lived the lie, it's just the price that he paid	When the world gets in my face
Sacrificed his life, just slaving away	I say, have a nice day
(Oh) if there's one thing I hang onto	Have a nice day
That gets me through the night	(Oh) if there's one thing I hang onto
I ain't gonna do what I don't want to	That gets me through the night
I'm gonna live my life	I ain't gonna do (8) I don't want to
Shining like a diamond	I'm gonna live my life
Rolling with the dice	Shining like a diamond
Standing on the ledge, I show the wind how to fly	Rolling with the dice
When the world gets in my face	Standing on the ledge, I show the wind how to fly
I say, have a nice day	When the world gets in my face
Have a nice day	I say, have a nice day
Take a look around you; nothing's (3) it seems	Have a nice day
We're living in the broken home of hopes and dreams	Have a nice day
Let me be the first to shake a helping hand	When the world keeps trying
Anybody brave enough to (4) a stand	To drag me down
I've knocked on every door, on every dead end street	I've gotta raise my hands
Looking for forgiveness	Gonna stand my ground
What's left to believe?	Well I say (hey) have a nice day
(Oh) if there's one thing I hang onto	Have a nice day
That (5) me through the night	
I ain't (6) do what I don't want to
