Like I Love You by Justin Timberlake 8
Just something about you
The way I'm lookin' at you, whatever
You keep lookin' at me
You gettin' scared now, right?
Don't fear me baby, it's just Justin
It feel good right?
Listen
I kind of noticed, from one night
From the club, your front face
It's kind of weird to me
Since you're so fine
If it's up to me your face will change
If you smiling, that should set the tone
Just be limber
And if you let go
The music should groove your bones
Just remember
Sing this song with me
Ain't nobody love you like I love you
You're a good (1) and that's what makes me trust ya
Late at night, I talk to you
You (2) (3) the difference when I touch you
People are so phony
Nosy 'cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin'
When it doesn't matter anyway

'Cause we're (4)\_\_\_\_\_ tonight

You have sleepin' in the same bed, every night
Go rock with me, you deserve the best
Take a few shots
Let it burn in your chest
We could ride down
Pumpin' N.E.R.D. in the deck
Funny how a few words turn into sex
Play this free, joint called "Brain"
Ma, take a hint
Make me swerve in the lane
The name Malicious
And I burn every track
Clipse and J. Timberlake
Now how heavy is that?
Maybe we'll fly tonight (I just wanna love you baby)
(Yeah, yeah, yeah)
Maybe we'll fly tonight (I just wanna love you baby)
Girl
Ain't nobody love you like I love you
You're a good girl and that's (8) makes me trust ya
Late at night, I talk to you
You (9) know the difference when I
Break this down
You know
I used to (10) about this when I was a little boy
I never thought it would end up this way
Drums
(Hey)
It's kind of special right? yeah

#### You know, you think about it

Sometimes people just destined

Destined to do what they do

And that's what it is

Now everybody dance
