

Fill in the gaps

The cycle repeated
As explosions broke in the sky
All that I needed
Was the one (1) I couldn't find
And you were there at the turn
Waiting to let me know
We're building it up
To break it (2) down
We're building it up
To burn it down
We can't wait
To burn it to the ground
The colors conflicted
As the flames climbed into the clouds
I wanted to fix this
But couldn't stop from (3) it down
And you were there at the turn
Caught in the burning glow
And I was there at the turn
Waiting to let you know
We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground
You (4) me yes

You held me high	
And I believed when you told that lie	
I played soldier, you played king	
And struck me down when I kissed that ring	
You (5) that (6) to hold that cr	own
I built you up but you let me down	
So when you fall, I'll take my turn	
And fan the flames as your blazes burn	
And you were there at the turn	
Waiting to let me know	
We're (7) it up	
To break it back down	
We're building it up	
To (8) it down	
We can't wait	
To burn it to the ground	
When you fall, I'll take my turn	
And fan the flames as your (9) burn	
We can't wait	
To burn it to the ground	
When you fall, I'll take my turn	
And fan the flames as your blazes burn	
We can't wait	
To burn it to the ground
