

Fill in the gaps

The cycle repeated		You held me high	
As (1)	broke in the sky	And I (10)	when you told (11)
All (2) I needed		lie	
Was the one thing I couldn't find		I played soldier, you played king	
And you were there at the turn		And (12)	_ me (13) when
Waiting to let me know		(14) that ring	
We're building it up		You lost that right to hold (15) crown	
To break it back down		I built you up but you let me down	
We're building it up		So (16) you fall, I'll take my turn	
To burn it down		And fan the (17)	as your blazes burn
We can't wait		And you were there at the turn	
To burn it to the ground		Waiting to let me know	
The (3) conflic	cted	We're building it up	
As the (4) clin	nbed into the clouds	To break it (18)	_ down
I (5) to fix this		We're (19)	it up
But couldn't stop (6)	_ tearing it down	To burn it down	
And you (7) there a	at the turn	We can't wait	
Caught in the (8)	glow	To burn it to the ground	
And I was (9) at the turn		When you fall, I'll take my turn	
Waiting to let you know		And fan the flames as your blazes burn	
We're building it up		We can't wait	
To break it back down		To (20) it to the ground	
We're building it up		When you fall, I'll take my turn	
To burn it down		And fan the (21)	as your blazes burn
We can't wait		We can't wait	
To burn it to the ground		To burn it to the ground	
You told me yes
