

## Fill in the gaps

You sing a song		When things look low
While sittin' at a red light		You've gotta (6) strong
You think of home		Feet to the grass
While sittin' at a red light		You've gotta walk it off
Too slow to roll		The bows been tied
Put your life on hold		Too tight to laugh
An open path		Feet to the ground
With nowhere to go		You've gotta walk it off
You start to wonder		You can run a red light
While sittin' at a red light		You can run a red light
You can run a red light		Start to think
Give up at a red light		Am I drinkning too much
You break the mold		Should I keep going
When runnin' (1)	the tolls	Lose the life (7) I love
Speeding through your whole life		(Oh)
A chance to breathe		You can run a red light
While sittin' at a red light		Give up at a red light
You look around		You break the mold
Reflectin' on your life		When runnin' through the tolls
A chance to think		Speedin' through your whole life
Am I drinkin' too much		You can run a red light
Should I (2) goin'		Give up on your (8) life
Lose the life that I love		You break the mold
A second glance		When runnin' through the tolls
When comin' to a red light		Speedin' through your whole life
You can run a red light		(Oh)
Give up at a red light		You can run a red light
You (3) the mold		(Oh oh oh)
When runnin' (4)	the tolls	(Yeah)
Speedin' through your whole life		You can run a red light
You can run a red light		
Give up on your whole life		You (9) a song
You (5) the mold		While sitting at a red light
When runnin' through the tolls		
Speedin' through your whole life
