Fill in the gaps

Love Like Winter by AFI

Warn you (1)_____ to (2)_____ away
Here it's December, everyday
Press (3)_____ lips to the sculptures
And surely you'll stay (love like winter…)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and (4)_____ my warmth
From years before
From (5)_____ before
She (6)_____ the mirror lace
I barely (7)_____ her, (8)_____
(yesterday…)
With the (9)_____ in the mirror
Through the (10)_____ trace...
She said "It seems you're somewhere, far away…
To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She wanted love, I taste the blood
She bit my lip, and (11)_____ my warmth
From years before
From years before
Love (12)_____ winter (Oh oh...)
Love (13)_____ winter, (14)_____
3…4…
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I (15)_____ the blood
He bit my lip, and (16)_____ my warmth
From years before
From years before

Fill in the gaps

Answer

1. once
2. turn
