

## Fill in the gaps

never really (1) quite (2) I don't	But all I want is for you to snine
know why	Shine down on me
All I know is something wrong	Shine on this life that's (16) out
Every (3) I look at you, you seem so alive	I know, I know, girl you got something
Tell me how do you do it, (4) me through it	Shine, (17) it on to me
I'm following every footstep	Shine (18) on me, I wanna (19) it
Maybe on (5) own you (6) a	Shine on this (20) that's burning out
(7) step	Maybe on your own you take a cautious step
Till (8) give it up	Till wanna give it up
But all I want is for you to shine	But all I want is for you to shine
Shine (9) on me	Shine (21) on me, just show me something
Shine on (10) life that's burning out	Shine on (22) life that's (23) out
I say a lot of things sometimes	You (24) me something (25) I
That don't come out right	(26) know
And I act like I don't (11) why	Shine, it's gonna kill me if you give something away
I guess a reaction is all I was looking for	Shine (yeaaah)
Yeah	I wanna know what's (27) in on your mind
You (12) through me	Shine on this life that's burning out
You (13) me	
Like no one has ever looked before	
Maybe on your own you (15) a cautious step	
Till wanna give it up
