

So I let go Watching you

Fill in the gaps

| I am | Turn (4) (5) like you (6) |
|-----------------------------------|------------------------------------|
| Little bit of loneliness | do |
| A little bit of disregard | Face away and pretend that I'm not |
| A handful of complaints | But I'll be here |
| But I can't help the fact | 'Cause you're all I got |
| That everyone can see these scars | I can't feel |
| I am, what I want you to want | The way I did before |
| What I want you to feel | Don't turn (7) back on me |
| But it's like | I won't be ignored |
| No matter what I do | Time won't heal |
| I can't convince you | This damage anymore |
| To just believe this is real | Don't turn (8) back on me |
| So I let go | I won't be ignored |
| Watching you | Now, hear me out now |
| Turn your back like you always do | You're gonna listen to me |
| Face (1) and pretend that I'm not | Like it or not right now |
| But I'll be here | Hear me out now |
| 'Cause you're all I got | You're gonna listen to me |
| I can't feel | Like it or not right now |
| The way I did before | I can't feel |
| Don't turn your back on me | The way I did before |
| I won't be ignored | Don't turn your back on me |
| Time won't heal | I won't be ignored |
| This damage anymore | I can't feel |
| Don't turn (2) back on me | The way I did before |
| I won't be ignored | Don't turn your (9) on me |
| I am, a little bit insecure | I won't be ignored |
| A little unconfident | Time won't heal |
| 'Cause you don't understand | This damage anymore |
| I do (3) I can | Don't turn (10) back on me |
| But sometimes I don't make sense | I won't be ignored |
| I am, what you never want to say | I can't feel |
| But I've never had a doubt | Don't turn your back on me |
| It's like no matter what I do | I won't be ignored |
| I can't convince you | Time won't heal |
| For once just to hear me out | Don't turn your back on me |
