Fill in the gaps

Turn your back like you (9)_____ do

| Little bit of loneliness | Face away and pretend that I'm not |
|------------------------------------|------------------------------------|
| A little bit of disregard | But I'll be here |
| A handful of complaints | 'Cause you're all I got |
| But I can't help the fact | I can't feel |
| That everyone can see these scars | The way I did before |
| I am, what I want you to want | Don't turn your back on me |
| What I want you to feel | I won't be ignored |
| But it's like | Time won't heal |
| No matter what I do | This damage anymore |
| I can't convince you | Don't turn your back on me |
| To just believe this is real | I won't be ignored |
| So I let go | Now, hear me out now |
| Watching you | You're gonna listen to me |
| Turn your back like you always do | Like it or not (10) now |
| Face away and pretend that I'm not | Hear me out now |
| But I'll be here | You're gonna listen to me |
| 'Cause you're all I got | Like it or not right now |

| I am, what you (5) to say | Don't turn your back on me |
| But I've (7) had a doubt | I won't be ignored |
| It's like no (8) what I do | Time won't heal |
| I can't convince you | Don't turn your back on me |
