The Downfall of Us All by A Day To Remember

	Meet me out past the train tracks
Let's go!	I'm leaving and not coming back
	You're right and I was wrong
It's not easy making a name for yourself	This town (5) be the downfall of us all
Where do you draw the line?	Don't forget yourselves we've made up our minds
I never thought I'd be in this far	We signed 3, 4, 5 on that dotted line
Let's have fun some and never change that for anyone	Don't forget yourselves we've made up our minds
Try not to miss me when I'm gone	We signed 3, 4, 5 on that dotted line
	You won't (6) me in the same spot believe me
I sold my soul to the open road	I could never stop, my life's turned (7) down
You won't find me in the same spot believe me	Meet me out past those train tracks
I could never stop, my life's turned (1) down	I'm leaving and not coming back
Meet me out past the train tracks	You're right and I was wrong
I'm leavin' and not coming back	You won't find me in the (8) spot believe me
You're right and I was wrong	I (9) never stop, my life's turned upside down
This town will be the (2) of us all	Meet me out past those train tracks
	I'm leaving and not coming back
I'm gonna need you to try to follow along	You're right and I was wrong
I did the best that I could to try to write you songs	This town will be the (10) of us all
Now go tell (3) we (4) out	This town will be the downfall of us all
Like we're the one's who changed?	Downfall of us all
I write what I feel, I say what I mean	Downfall of us all
Can't buy sincerity	Downfall of us all
	Downfall of us all!
I sold my soul to the open road	
You won't find me in the same spot believe me
