Keep The Lights On by Close Your Eyes

Everything that I despise	That (18) me in the dark
Consumes me when I close my eyes	That holds me in the dark
I don't know if I can (1) the way I feel	I (19) you can (20) mo
Despite the light that you have shone	I'll keep singing this song
The (2) has become what I know	Even if there's no air left
And I am (3) to find my way out of it	And dirt fills up these lungs
I am (4) so hard to forget	Please (21) the lights on
This constant aching (5) that	I am (22) to make it home
(6) inside my chest	The sun is sinking
The (7) in me always drags me down	But I won't go down with it
The guilt I (8) (9) not let me get up	Please keep the lights on
again	I am trying to (23) it home
I'm crushed by the weight	The sun is sinking
I was younger then, careless and innocent	But I won't go down with it
I never thought my (10) (11) mean	The sun is sinking
so much	The sun is sinking
But I am older now, I should be screaming out	The sun is sinking
So why is it that I (12) my mouth shut?	I won't go down (24) it
Why do I try so (13) to forget	
The forgiveness that is in (14) hands	
And the (15) in your words?	
You are (16) me to seek you and find rest	
And leave (17) the emptiness
