Keep The Lights On by Close Your Eyes

Everything that I despise	That holds me in the dark
Consumes me when I close my eyes	That holds me in the dark
I don't (1) if I can change the way I feel	I (7) you can (8) me
Despite the light that you have shone	I'll keep singing (9) song
The dark has become what I know	Even if there's no air left
And I am fighting to (2) my way out of it	And dirt fills up these lungs
I am trying so hard to forget	Please keep the lights on
This constant aching feeling (3) stirs inside my	I am trying to make it home
chest	The sun is sinking
The fear in me always drags me down	But I won't go down with it
The guilt I feel (4) not let me get up again	Please (10) the lights on
I'm crushed by the weight	I am trying to make it home
I was younger then, careless and innocent	The sun is sinking
I never thought my words could mean so much	But I won't go down with it
But I am older now, I should be screaming out	The sun is sinking
So why is it that I keep my mouth shut?	The sun is sinking
Why do I try so hard to forget	The sun is sinking
The forgiveness that is in your hands	I won't go down with it
And the mercy in your words?	
You are calling me to (5) you and (6)
