And leave behind the emptiness

Fill in the gaps

Keep The Lights On by Close Your Eyes

Everything (1) I despise	That holds me in the dark
Consumes me when I close my eyes	That holds me in the dark
I don't know if I can change the way I feel	I hope you can hear me
Despite the light (2) you have shone	I'll keep singing this song
The dark has become what I know	Even if there's no air left
And I am fighting to find my way out of it	And dirt fills up these lungs
I am trying so hard to forget	Please keep the lights on
This constant (3) feeling that (4)	I am (8) to make it home
(5) my chest	The sun is sinking
The fear in me always drags me down	But I won't go down with it
The (6) I feel will not let me get up again	Please keep the lights on
I'm crushed by the weight	I am trying to make it home
I was younger then, careless and innocent	The sun is sinking
I never thought my words could mean so much	But I won't go down (9) it
But I am older now, I should be screaming out	The sun is sinking
So why is it that I keep my mouth shut?	The sun is sinking
Why do I try so hard to forget	The sun is sinking
The forgiveness that is in your hands	I won't go down with it
And the (7) in your words?	
You are calling me to seek you and find rest
