

You!

## Fill in the gaps

There's no time, you're buried within
They know what you've (1) through
Hide yourself
The clock states the end and it's ticking for you
Worship yourself
A liar shows no mercy
Behind your shining smile
You're the forsaken one
These lies will (2) you safe
(So dead yet so brilliant)
Still you're pretending
Dying to overrun
There has to be a way
Show your scars
Facing the end you will always be true
Ain't no way
The clock states the end and it's ticking for you?
Worship yourself
A (3) shows no mercy
Behind your shining smile
