

## Fill in the gaps

## The Kids From Yesterday by My Chemical Romance

And now this could be	When your heart begins to break
The last of all the rides we take	Now we are the kids from yesterday
So (1) on tight and don't look back	
We don't care about	Today, today
The (2) or the rules they make	We are the (14) from yesterday
We'll (3) you when the sun (4) black	Today, today
And you (5) to (6) forever	We're young the world (15) breathing
In the lights you make	Yeah, we left 'til (16) (17)
When we were young we (7) to say	(18) beating
That you only hear the music	We are the (19) from yesterday
When your (8) begins to break	Today
Now we are the kids from yesterday	'Cause you wanna live forever
	In the lights you make
All the cameras watch the accidents	When we were (20) we used to say
And stars you hate	That you only hear the music
They (9) if you can bleed	When (21) heart begins to break
Does the television	Now we are the kids from yesterday
Make you (11) the pills you ate?	We are the kids from yesterday
Or every person that you need to be	We are the kids (22) yesterday
'Cause you wanna (12) forever	We are the kids from yesterday
In the lights you make	Today, today
When we were young we used to say	
That you (13) hear the music
