Famous Last Words by My Chemical Romance

Now I know (1) I can't make you stay		These bright lights have always blinded me	
But where's your heart?		These bright lights (5)	always blinded me
But where's your heart?		I say	
But where's your?		I see you lying next to me	
And I know there's nothing I (2) say		With words I (6)	I'd never speak
To change that part		Awake and unafraid	
To change that part		Asleep or dead	
To change		'Cause I see you lying next to me	
So many bright lights to cast a shadow		With (7) I thought I'd never speak	
But can I speak?		Awake and unafraid	
Well, is it hard understanding I'm incomplete?		Asleep or dead!	
A life that's so demanding, I get so weak		'Cause I see you (8) next to me	
A love that's so demanding, I can't speak		With words I thought I'd never speak	
I am not afraid to keep on living		Awake and unafraid	
I am not afraid to walk this world alone		Asleep or dead!	
Honey if you stay, I'll be forgiven		I am not afraid to keep on living	
Nothing you could say can stop me going home		I am not (9) to	o walk this world alone
Can you see my eyes are shining bright		Honey if you stay, I'll be forgiven	
'Cause I'm out here on the other side		Nothing you could say can (10) me going home	
Of a jet black hotel mirror and I'm so weak		I am not afraid to keep on living	
s it hard understanding I'm incomplete?		I am not afraid to walk this world alone	
A (3) that's so (4)	_ I get	Honey if you stay, I'll be forgive	ven
