

Sing it for the world, sing it for the world

## Fill in the gaps

Sing it out	Cleaned-up, corporation progress
Boy you've got to see what tomorrow brings	Dying in the process
Sing it out	Children that can talk about it
Girl you've got to be what tomorrow needs	Living on the web-ways
For every time that (1) want to count you out	People moving sideways
Use your voice every single time you open up your mouth	Sell it till your last days
Sing it for the boys, sing it for the girls	Buy yourself the motivation
Every time that you lose it sing it for the world	Generation nothing
Sing it from the heart	Nothing but a dead scene
Sing it till you're nuts	Product of a white dream
Sing it out for the ones that'll hate your guts	I am not the singer that you wanted, but a dancer
Sing it for the deaf	I refuse to answer, talk about the past, sir
Sing it for the blind	Wrote it for the ones that want to get away
Sing about everyone that you left behind	Keep running
Sing it for the world, sing it for the world	Sing it for the boys, sing it for the girls
Sing it out	Every time that you (5) it sing it for the world
Boy they're gonna sell what tomorrow means	Sing it from the heart
Sing it out	Sing it till you're nuts
Girl before they (2) what (3)	Singing out for the ones that'll hate (6) guts
brings	Sing it for the deaf
You've got to	Sing it for the blind
Make a choice if the music drowns you out	Sing (7) everyone that you left behind
And raise your voice	Sing it for the world, sing it for the world
Every single time they try and shut your mouth	You've got to see what tomorrow brings
Sing it for the boys, sing it for the girls	Sing it for the world
Every time that you (4) it sing it for the world	Sing it for the world
Sing it from the heart	Girl, you've got to be what tomorrow needs
Sing it till you're nuts	Sing it for the world
Sing it out for the ones that'll hate your guts	Sing it for the world
Sing it for the deaf	
Sing it for the blind	
Sing about everyone that you left behind
