In Your Eyes by Kylie Minogue

Fill in the gaps

What on earth am I meant to do	It's no surprise
In (1) (2) place there is only you	I've been watching you lately
Was gonna leave now I have to stay	I want to make it with you
You have taken my (3) away	Whit you
(Uh uh uh uh)	Is the world still spinning around
Is the world still spinning around	I don't feel like I'm coming down
	It's in (9) eyes
(Uh uh uh uh)	I can tell what you're thinking
I don't feel like I'm coming down	My heart is sinking too
It's in your eyes	It's no surprise
I can (4) what you're thinking	I've been watching you lately
My heart is sinking too	I want to make it with you
It's no surprise	It's in your eyes
I've been (5) you lately	I can tell (10) you're thinking
I want to make it with you	My heart is sinking too
Destiny has a funny way	It's no surprise
When it (6) and takes all (7) cares	I've been watching you lately
away	I want to make it with you
I can't think of a single thing	It's in your eyes
Other than what a beautiful state I'm in	I can tell what you're thinking
(Uh uh uh uh)	My heart is sinking too
Is the world (8) spinning around	It's no surprise
	I've been watching you lately
(Uh uh uh uh)	I want to make it with you
I don't feel like I'm coming down	It's in your eyes
It's in your eyes	
I can tell what you're thinking	
My heart is sinking too
