Something That You Said by The Bangles

Everything in a moment starting where	Never so far you can't call me back
Something you said is hanging in the air	I'm never more than a single kiss away
Now I know my life is sweetening	And I (7) so real
Changing everything	And it feels so right
Something (1) you said	Something that you said
Turned me from the inside out	Turned me from the inside out
Running through my head	Running (8) my head
Something I have dreamed about	Something I had dreamed about
And I feel so real	And I feel so real
And it feels so right	And it feels so right
Showing you every weakness	Something that you said
And feeling (2) for it	Turned me from the (9) out
I (3) to run from real love	Lying in my bed
Now I (4) for it	Whispering your name out loud
Now I know what I've been missing	And I feel so real
Since I've been listening	And it feels so right
Something (5) you said	Something that you said
Turned me from the (6) out	Turned me from the (10) out
Lying in my bed	Running through my head
Whispering your name out loud	Something I had dreamed about
And I feel so real	And it feels so real
And it feels so right	And it feels so right
Something that you said	Something that you said
Got through to me tonight
