

## Fill in the gaps

## Something That You Said by The Bangles

Everything in a (1) starting where	Never so far you can't call me back	
Something you said is hanging in the air	l'm (15) (16)	than a
Now I (2) my (3) is sweetening	(17) kiss away	
Changing everything	And I (18) so real	
Something (4) you said	And it (19) so right	
Turned me from the (5) out	Something (20) you said	
Running through my head	Turned me (21) the inside out	
Something I have dreamed about	Running through my head	
And I (6) so real	Something I had dreamed about	
And it feels so right	And I (22) so real	
Showing you every weakness	And it feels so right	
And feeling strong for it	Something that you said	
I used to run (7) (8) love	Turned me (23) the inside out	
Now I (9) for it	Lying in my bed	
Now I (10) what I've been missing	Whispering your name out loud	
Since I've been listening	And I feel so real	
Something (11) you said	And it feels so right	
Turned me (12) the (13) out	Something that you said	
Lying in my bed	Turned me from the inside out	
Whispering (14) name out loud	Running through my head	
And I feel so real	Something I had dreamed about	
And it feels so right	And it (24) so real	
Something that you said	And it feels so right	
Got through to me tonight	Something that you said
