Fill in the gaps

New Perspective by Panic! At The Disco

I feel the (1) waves coming	And I'll admire you expensive taste
I feel them crash against my skin	Who cares divine intervention
And I smile as I respire	I wanna be praised from a new perspective
Because I know they'll (2) win	But leaving now could be a good idea
There's a haze above my TV	So (7) me up I'm getting out of here
That changes everything I see	Catch me up I'm getting out of here
And maybe if I continue watching	More than the point I need to show
I'll lose the traits that worry me	How much I can come and go
Can we fast-forward to go down on me	Other plans fell through
Stop there and let me correct it	And put a heavy load on you
I wanna (3) the (4) from a new	I know there's no more that need be said
perspective	When I'm inching through your bed
You come along because I love your face	Take a look around instead and watch me go
And I will admire your expensive taste	Stop there and let me correct it
Who cares divine intervention	I wanna live the life from a new perspective
I wanna be praised from a new perspective	You come along because I love your face
But leaving now could be good idea	And I'll admire your expensive taste
So catch me up I'm getting out of here	Who cares divine intervention
Can we fast-forward to go down on me	I wanna be praised from a new perspective
Taking everything for granted	But leaving now could be a good idea
But we still respect the time	So (8) up I'm getting out of here
We move along with some new passion	It's not fair just let me perfect it
Knowing everything it's fine	Don't wanna live the the life that is comprehensive
I would wait and watch the hours fall	'Cause see it (9) could be a bad idea
In a hundred separate lines	Now catch me up I'm getting of here
But I regain repose and wonder	So catch me up I'm getting out of here
How I (5) up inside	
Can we fast-forward to go down on me	
Stop there and let me correct it	
I wanna live the life from a new perspective	
You (6) along because I love your face	

- 1. salty
- 2. never
- 3. live
- 4. life
- 5. ended
- 6. come
- 7. catch
- 8. catch
- 9. clear
