

Fill in the gaps

Move! and show me what you can do
When you step into the circle and shake like we do
And (1) when you just can't take it and
Move! If you just feel like breaking it
Can you hear me? stop
Look, listen to my voice
It was never my choice to feel all alone
This is my home back up
You don't know if you've never been here
You've never been to the place inside
I face my fears it takes everything I am
Move! And show me what you can do
When you step into the circle and shake like we do
And move! When you just can't take it and
Move! If you just feel like breaking it
Move! And show me what you can do
When you step into the circle and shake like we do
And move! When you just can't take it and
Move! If you just feel like breaking it
Come near me, stop
Look, listen to my voice
If you're making the choice
Tell all the girls and the boys
Either scream or rejoice
Let's make that noise
Either move or we will all be destroyed
Back up and let go, if you've never been here
You've never been to the place inside

I face my fears, it takes everything I am
