Move! and show me what you can do	And show me what you can do
When you step into the circle and shake like we do	When you (12) (13) the circle and
And (1) when you just can't (2) it and	shake like we do
Move! If you just feel like breaking it	And move! When you (14) can't (15) it
Can you hear me? stop	and
Look, listen to my voice	Move! If you just feel (16) breaking it
It was never my choice to feel all alone	Move! And show me what you can do
This is my (3) back up	When you (17) into the circle and shake like we do
You don't know if you've never been here	And move! (18) you just can't take it and
You've never (4) to the place inside	Move! If you just feel (19) breaking it
I face my fears it takes everything I am	I come crashing to the floor
Move! And (5) me what you can do	And I know there must be (20) like me
When you step into the circle and shake like we do	I've seen this all before
And move! When you just can't take it and	I can't carry this anymore
Move! If you just feel like breaking it	Break free
Move! And show me what you can do	So breath, and leave
When you (6) into the circle and shake like we do	Until the storm is over
And move! (7) you (8) can't take it and	'Cause underneath
Move! If you just feel like breaking it	There's a (21) over
Come (9) me, stop	So breath, let's leave
Look, (10) to my voice	Until the storm is over
If you're making the choice	Because I want to take you away
Tell all the (11) and the boys	Move! And show me (23) you can do
Either scream or rejoice	When you step into the circle and shake like we do
Let's make that noise	And move! When you just can't take it and
Either move or we will all be destroyed	Move! If you just (24) like breaking it
Back up and let go, if you've never been here	Move! And show me what you can do
You've never been to the place inside	When you (25) into the circle and shake like we do
I face my fears, it takes everything I am	And move! When you just can't (26) it and
If you just move!	Move! If you just feel (27) breaking it
