

Everytime I breathe I feel brand new

Fill in the gaps

Just a smile and the rain is gone	You open up my heart
Can hardly (1) it (yeah)	Show me all your love, and walk right (7)
There's an angel standing next to me	As I lay my love on you
Reaching for my heart	I never knew that love could fell soo good
Just a smile and there's no way (2)	Like once in a lifetime
Can hardly believe it (yeah)	You change my world
But there's an angel, she's calling me	I lay my (8) on you
Reaching for my (3)	You make me (9) brand new
I know, that I'll be ok now	Show me all your love, and walk right through
This time it's (4)	As I lay my love on you
I lay my love on you	I lay my love on you
It's all I wanna do	It's all I wanna do
Everytime I breathe I feel brand new	Everytime I breathe I feel brand new
You open up my heart	You open up my heart
Show me all your love, and walk right through	Show me all your love, and walk right through
As I lay my love on you	As I lay my love on you
I was (5) in a lonely (6)	I lay my love on you
Could hardly even believe it (yeah)	You make me feel brand new
Holding on to yesterdays	You open up my (10)
Far, far too long	Show me all your love, and walk right through
Now I believe its ok cause this time it's real	As I lay my love on you
I lay my love on you	As I lay my love on you
It's all I wanna do
