Haven't Met You Yet by Michael Bublé

I'm not surprised, not (1)	lasts	I just haven't met you yet
I've broken my heart so many times		They say all's fair
I stopped keeping track		In love and war
Talk myself in, I talk myself out		But I won't need to fight it
I get all worked up		We'll get it right and we'll be united
Then I let myself down		And I know that we can be so amazing
I tried so (2) hard not to lose it		And being in your life is gonna change me
I came up with a million excuses		And now I can see every single possibility
I thought, I (3) of every possibilit	ty	And someday I know it'll all turn out
And I know someday that it'll all turn out		And I'll work to work it out
You'll make me work		Promise you kid
So we can work to work it out		I'll give more than I get, than I get
And I promise you kid		Than I get, than I get
That I give so much more than I get		(Oh) You know it'll all turn out
I just haven't met you yet		And you'll (8) me work
(Mmmm mm mmm)		So we can work to work it out
I might have to wait		And I promise you kid
I'll never give up		To give so much more than I get
I guess it's (4) timing		(Yeah) I just haven't met you yet
And the other half's luck		I just haven't met you yet
Wherever you are, whenever it's right		(Oh) Promise you, kid
You'll (5) out of nowhere and into my life	е	To give so (9) than I get
And I know that we can be so amazing		I said love, love, love
And baby your (6) is gonna change me		Love, love
And now I can see every single possibility		I just haven't met you yet
(Mmm)		Love, love, love
And I know (7) that it'll all turn ou	ut	Love, love
You'll make me work		I just haven't met you yet
So we can work to work it out		
And I promise you kid
