Haven't Met You Yet by Michael Bublé

'm not surprised, not (1)	lasts	I just haven't met you yet
've broken my heart so many times		They say all's fair
stopped keeping track		In love and war
Talk myself in, I talk myself out		But I won't (6) to fight it
get all worked up		We'll get it right and we'll be united
Then I let myself down		And I know that we can be so amazing
tried so very hard not to lose it		And being in your (7) is gonna change me
came up with a million excuses		And now I can see every single possibility
thought, I thought of every possibility		And someday I know it'll all turn out
And I know someday that it'll all turn out		And I'll work to work it out
You'll make me work		Promise you kid
So we can work to (2) it out		I'll give more than I get, than I get
And I (3) you kid		Than I get, than I get
That I give so much more than I get		(Oh) You know it'll all turn out
just haven't met you yet		And you'll make me work
(Mmmm mm mmm)		So we can work to work it out
might have to wait		And I promise you kid
'Il never give up		To give so (8) more than I get
guess it's half timing		(Yeah) I just haven't met you yet
And the other half's luck		I (9) haven't met you yet
Wherever you are, whenever it's right		(Oh) Promise you, kid
You'll come out of nowhere and into my life		To give so much (10) than I get
And I (4) that we can be so amazing		I said love, love, love
And baby your love is gonna change me		Love, love
And now I can see every single possibility		I just haven't met you yet
(Mmm)		Love, love, love
And I know someday that it'll all turn out		Love, love
You'll (5) me work		I just haven't met you yet
So we can work to work it out		
And I promise you kid
