

Fill in the gaps

He (1) impressed by the way you came in	I thought I told you
Tell us the story	This world is not for you
I know you're not boring	The room is on fire as she's fixing her hair
I was (2) that you (3) not insist	You (13) so angry
You sound so sleepy	Just (14) down, you (15) me
Just take this, now leave me	I said (16) don't (17) me down
I said please don't (4) me down	If I'm (18) too fast
If I'm going too fast	You're in a strange (19) of our town
You're in a strange (5) of our town	(Yeah) the night's not over
(Yeah) the night's not over	You're not (20) hard enough
You're not (6) (7) enough	Our (21) are changing lanes
Our (8) are (9) lanes	You ran me off the road
You ran me off the road	The wait is over
The wait is over	I'm now (22) over
I'm now taking over	You're no longer laughing
You're no (10) laughing	I'm not (23) (24) enough
I'm not drowning (11) enough	
Now (12) time that I look at myself
