Let Me Hear You Scream by Ozzy Osbourne

Let me (1) you scream	Let me hear you scream like you want it
I'm black and bruised	Let me hear you yell like you mean it
Beat up, but still I take the blows	If you're (5) (go down)
'Cause all I need	Go loud
Is blood and sweat and skin and bones	Go strong
I'll take this rage	Go proud
Rattle your cage	Go on
Nobody said it's easy	Go hard or go home
It's do or die	Let me hear you
Only the strong survive	(Let me hear you)
Get ready for the (2) stand	Let me hear you
Get ready, I'm your hangman	(Let me hear you)
Let me hear you scream like you want it	Let me hear you scream
Let me (3) you yell like you mean it	Let me (6) you scream like you want it
If you're gonna (go down)	Let me (7) you (8) like you
Go loud	(9) it
Go strong	If you're gonna (go down)
Go proud	Go loud
Go on	Go strong
Go hard or go home	Go proud
Let me hear you	Go on
(Let me hear you)	Go hard or go home
Let me hear you	Let me hear you scream like you want it
(Let me hear you)	Let me hear you yell like you mean it
Let me hear you scream	If you're gonna (go down)
I'll (4) you up and push you rigth	Go loud
Back in your place	Go strong
I'll take you down	Go proud
And wipe that smile right off your face	Go on
I'll watch you break	Go hard or go home
You're mine to take	Let me hear you
Don't blink you just might miss it	(Let me hear you)
It's all or nothing	Let me hear you
Nowhere left to run	(Let me hear you)
Are you ready for the last fight?	Let me hear you scream
