

No more lost endeavors

## Fill in the gaps

Declining, all color fading	Nothing to contend
Defining, (1) coming for me	When I'm free
Rescinding, my inspiration	Time is (6) a concept
Receding consciousness	And always the first (7) to fade
Back in the day I can recall that	Agony and weakness
My thoughts were unclouded and sage	Nothing we can (8) evade
There was no black staining the walls of my memories	Years are cruel, they break us
Now there's a (2) pushing me sideways	Bringing on decay and despair
And leaving me nothing to gain	Awareness and perception
Taking me back, (3) me cold in disparity	Something we can never repair
Where was I meant to be?	Freedom for me is all I'm really wanting, needing
I feel I'm lost in a dream	Give me power to break out
Long for the day I can be myself	I can't (9) on for any longer
When I'm free	My time has come to end it all
When my sun has set	No one to blame, fate's only random
Released my soul forever	It's nothing we'll ever explain
I'll have no regret	So it remains
To be free	Where was I meant to be?
l'II (4) again	I feel I'm lost in a dream
No more lost endeavors	Long for the day I can be myself
Nothing to contend	Free
When I'm free	When will I be unleashed?
Color declines, all that defines me	It's not the way it should be
Is falling away, far behind	Yearning again only to be myself
Nothing to keep me with the time	When I'm free
The here and now	When my sun has set
Where am I meant to be?	Released my soul forever
I feel I'm (5) in a dream	I'll have no regret
Yearning again only to be myself	To be free
When I'm free	I'll exist again
When my sun has set	No more lost endeavors
Released my soul forever	Nothing to contend
I'll have no regret	When I'm free
To be free	
I'll exist again
