FaA§ade Of Reality by Epica

Fill in the gaps

		It doesn't matter where we die	
(Sanguis meus tibi no iam perbibendus sit)		It doesn't matter that you cry	
(Macula aeternitatis numquam detergenda)		We will take you (6)_	us
(Quisnam surget et deteget)		It doesn't matter where we die	
(Imaginem veritatis?)		It doesn't matter (7)_	you cry
People created religious inventions			
To give their lives a glimmer of hope		A disgrace on the beyond	
And to (1) their fear of dying		(O servator, sempiterne)	
And people (2)	religious intentions	(Te grati coluimus)	
Only to feel (3)	and to have a license to	(Odor (8)	quo nos superfundis intolerabilis est)
kill		Deceive yourself by yieldind to soft words	
Our desire to die is stronger than all		That cause no pain	
Your desire for life		Enrich yourself with different views learned	
There is no getting away from it now		Without disdain	
Only truth faith survives		A disgrace on the beyond	
People created religious inventions		That can never be undone	
To give their lives a glimmer of hope		Who shall rise and unviel	
And to erase their fear of dying		The façade of reality?	
And people created religious ascensions		Deceive yourself by yielding to soft words	
To subject others ans to enslave		That cause no pain	
Just to further enrich themselves		Enrich yourself with different views learned	
Our desire to die is stronger than all		Without disdain	
Your desire for life		Is there still room for new dents in old wrecks?	
There is no getting away from it now		A disgrace on the beyond that can never be undone	
Only truth faith survives		Deceive yourself by yi	ielding to soft words
Our desire to die is stronger than all		Enrich (9)	by (10) u
Your (4) for life		your own mind	
There is no getting away from it now		(Sanguis meus tibi non iam perbibendus sit)	
Only (5) faith survives		(Sanguis meus tibi non iam perbibendus sit)	
This mass terrorism			
Is the new evil in our world today			

- 1. erase
- 2. created
- 3. superior
- 4. desire
- 5. truth
- 6. with
- 7. that
- 8. atrox
- 9. yourself
- 10. making
