## The Logical Song (Live) by Roger Hodgson

When I was young	A liberal
It seemed that life was so wonderful	(Oh) fanatical, criminal
A miracle	(Oh) won't you (5) up your name?
(Oh) it was beautiful, magical	We'd like to feel you're acceptable
And all the (1) in the trees	Respectable
Well, they'd be singing so happily	(Oh) presentable, a vegetable
(Oh) joyfully	(Whoa) take it, take it, take it (yeah)
(Oh) playfully watching me	But at night (6) all the world's asleep
But then they sent me away	The questions run so deep
To teach me how to be sensible	For such a simple man
Logical	Won't you please
(Oh) responsible, practical	Please tell me (7) we've learned?
And then they showed me a world	I know it sounds absurd
Where I could be so dependable	But please tell me who I am
(Oh) clinical	Who I am (come one)
(Oh) intellectual, cynical	Who I am
There are times (2) all the world's asleep	Who I am (yeah)
The questions run too deep	
For such a simple man	'Cause I'm feeling so logical
Won't you please	
Please tell me what we've learned?	(Oh) it's (8) unbelievable
I (3) it sounds absurd	
Please tell me who I am	
I say, now watch (4) you say	

- 1. birds
- 2. when
- 3. know
- 4. what
- 5. sign
- 6. when
- 7. what
- 8. getting
