

Fill in the gaps

The Logical Song (Live) by Roger Hodgson

When I was young	A liberal
It (1) that (2) was so wonderful	(Oh) fanatical, criminal
A miracle	(Oh) won't you sign up (17) name?
(Oh) it was beautiful, magical	We'd like to (18) you're acceptable
And all the (3) in the trees	Respectable
Well, they'd be (4) so happily	(Oh) presentable, a vegetable
(Oh) joyfully	(Whoa) (19) it, take it, (20) it (yeah)
(Oh) (5) watching me	But at night when all the world's asleep
But then they (6) me away	The questions run so deep
To (7) me how to be sensible	For such a simple man
Logical	Won't you please
(Oh) responsible, practical	Please (21) me (22) we've learned
And then they (8) me a world	I know it sounds absurd
Where I (9) be so dependable	But please (23) me who I am
(Oh) clinical	Who I am (come one)
(Oh) intellectual, cynical	Who I am
There are (10) when all the world's asleep	Who I am (yeah)
The questions run too deep	
For (11) a (12) man	'Cause I'm feeling so logical
Won't you please	
Please (13) me (14) we've learned?	(Oh) it's getting unbelievable
I know it (15) absurd	
Please tell me who I am	
I say, now (16) what you say	
Or they'll be calling you a radical
