

And I don't know where I've been

## Fill in the gaps

Hello me, (1)	the real me	I'm in trouble for the things		
And my misfits way of life		I haven't got to yet		
A dark black past is my		I'm sharpening the axe		
Most valued possession		And my palms are getting wet		
Hindsight is (2) 20-20		Sweating bullets		
But looking back it's still a bit fuzzy		Well, me, it's nice talking to myself		
Speak of (3)	assured destruction?	A credit to dementia		
Nice story, tell it to Re	eader's Digest!	Some day you too (6)	know my pain	
Feeling paranoid		And (7) its black tooth grin		
True enemy or false friend?		If the war inside my head	If the war inside my head	
Anxiety's attacking me		Won't take a day off I'll be dead		
And my air is getting thin		My icy fingers claw your back	My icy fingers claw your back	
I'm in trouble for the things		Here I come again		
I haven't got to yet		Feeling paranoid		
I'm (4)	at the bit	True enemy or (8)	friend?	
And my palms are getting wet		Anxiety's attacking me		
Sweating bullets		And my air is (9)	thin	
Hello me, it's me again		Once you committed me		
You can subdue, but never tame me		Now you've (10)	me	
It gives me a migraine headache		Claiming validity		
Thinking down to your level		For your stupidity		
Yeah, just (5)	on thinking it's my fault	I'm chomping at the bit		
And stay an inch or two outta kicking distance		I'm sharpening the axe		
Mankind has got to know		Here I come again		
His limitations		(Whoa)	(Whoa)	
Feeling claustrophobic		Sweating bullets		
Like the walls are clos	sing in			
Blood stains on my ha	ands
