

## Fill in the gaps

There are three words	I want your arms around me and I
That I've been dying to say to you	Want your lips on mine
Burns in my heart	I (4) say I love you, but
Like a fire that ain't goin' out	Baby I'm terrified
There are three words	My hands are shaking, my heart is racing
And I want you to know they are true	'Cause it's something I can't hide
I (1) to let you know	It's something I can't deny
I wanna say I love you	So here I go
I wanna hold you tight	Baby I love you
I want your arms around me and I	Take it in, breathe the air
Want your lips on mine	What is there to (5) fear
I wanna say I love you, but	I can't contain, what my heart's saying
Baby I'm terrified	I gotta say it out loud
My hands are shaking, my heart is racing	I wanna say I love you
'Cause it's something I can't hide	I wanna hold you tight
It's something I can't deny	I want your arms (6) me and I
So here I go	Want your (7) on mine
Baby I love you	I (8) say I (9) you, but
I've never said	Baby I'm terrified
These words to anyone, anyone at all	My (10) are shaking, my heart is racing
Never got this close	'Cause it's something I can't hide
'Cause I was always afraid I would fall	It's something I can't deny
But now I know	So here I go
That I'll fall right into (2) arms	Baby I love you
Don't ever let me go	
I wanna say I love you	
I wanna (3) you tight
