## Lucidity by Tame Impala

## Fill in the gaps

I know where you went
But I don't know how you got there
I know where you went
But I don't (1) how you got there
Silver tongue hill
Where you talk up what I'd play down
I (2) speak up
But I wouldn't know what to say
Lucidity, come back to me
Put all five (3) to
Where they're meant to be
(Oh) it's hard to tell, it (5) down
There is a will, there is a way
Wondering around like spare (6) (7) knew it
Wondering around like spare (6) (7) knew it  I might suck fizzle or I might just (8) away
I might suck fizzle or I might just (8) away
I might suck fizzle or I might just (8) away  And we'll go running off tonight
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above  Where we won't (9) need to reach
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above  Where we won't (9) need to reach  The sky my love
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above  Where we won't (9) need to reach  The sky my love  (Oh) there (10) be a change in the air
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above  Where we won't (9) need to reach  The sky my love  (Oh) there (10) be a change in the air  Nobody will be anybody else
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above  Where we won't (9) need to reach  The sky my love  (Oh) there (10) be a change in the air  Nobody will be anybody else  Lucidity, come back to me
I might suck fizzle or I might just (8) away  And we'll go running off tonight  High above  Where we won't (9) need to reach  The sky my love  (Oh) there (10) be a change in the air  Nobody will be anybody else  Lucidity, come back to me  Put all five senses back to

- 1. know
- 2. would
- 3. senses
- 4. back
- 5. breaks
- 6. time
- 7. never
- 8. float
- 9. even
- 10. will
