Lucidity by Tame Impala

Fill in the gaps

I know where you went
But I don't know how you got there
I know where you went
But I don't (1) how you got there
Silver (2) hill
Where you talk up what I'd play down
I would speak up
But I wouldn't know what to say
Lucidity, come back to me
Put all five senses back to
Where they're meant to be
(Oh) it's hard to tell, it breaks down
There is a will, (3) is a way
Wondering (4) like spare time never knew it
I might suck fizzle or I might just (5) away
And we'll go running off tonight
High above
High above Where we won't even need to reach
Where we won't even need to reach
Where we won't even need to reach The sky my love
Where we won't even need to reach The sky my love (Oh) there will be a change in the air
Where we won't even need to reach The sky my love (Oh) there will be a change in the air Nobody will be (6) else
Where we won't even need to reach The sky my love (Oh) there will be a change in the air Nobody will be (6) else Lucidity, (7) back to me
Where we won't even need to reach The sky my love (Oh) there will be a change in the air Nobody will be (6) else Lucidity, (7) back to me Put all five (8) back to
