SUB inglés

The best you never had.

Fill in the gaps

The Best You Never Had by Leona Lewis

I was so in (1) with you	No, No, No
There was nothing I could do	You saw me as a friend,
Wouldn't give me the time of day	Baby I don't want revenge,
Now you wanna be with me	But if you must know the truth,
You say you wanna be with me	What you didn't see in me
You said I was the best	Reflects what you will never be now,
Gave your love out to the rest	When you're telling me I was always the one,
There was (2) I could say	I feel your desperation.
But now it's going (3) for me	[Chorus]
You say you wanna be with me	Back rubs, good love, my stuff
Now	That's what you (7) out on
Yeah, you're telling me that I am where it's at	My touch so much we (8) have
But I ain't having none of that	You miss,
[Chorus:]	My kiss,
Because I told you, you'd live to regret it,	My lips,
and now I don't wanna make you feel bad,	The (9) I had for you
But when it comes to me just forget it,	Our song, so long
I'll be the (4) you never had,	[Chorus x2]
You put me through so many emotions,	Well I will always be the best you never had
Now baby it's (5) turn for that,	The best you (10) had
cause in your empty (6) I have left a mark,	

- 1. love
- 2. nothing
- 3. good
- 4. best
- 5. your
- 6. heart
- 7. missed
- 8. could
- 9. love
- 10. never
