SUB inglés

The best you never had.

Fill in the gaps

The Best You Never Had by Leona Lewis

I was so in love with you	No, No, No
There was nothing I could do	You saw me as a friend,
Wouldn't give me the time of day	Baby I don't want revenge,
Now you wanna be with me	But if you (6) know the truth,
You say you (1) be with me	What you didn't see in me
You said I was the best	Reflects what you will never be now,
Gave your love out to the rest	When you're telling me I was always the one
There was nothing I could say	I feel your desperation.
But now it's (2) good for me	[Chorus]
You say you wanna be with me	Back rubs, (7) love, my stuff
Now	That's what you missed out on
Yeah, you're telling me that I am where it's at	My touch so (8) we could have
But I ain't having none of that	You miss,
[Chorus:]	My kiss,
Because I told you, you'd live to regret it,	My lips,
and now I don't wanna make you feel bad,	The love I had for you
But when it comes to me just forget it,	Our song, so long
I'll be the (3) you never had,	[Chorus x2]
You put me through so many emotions,	Well I will always be the best you never had
Now baby it's (4) turn for that,	The best you never had
cause in your (5) heart I have left a mark,	

Fill in the gaps
