Make it count, play it straight	It's the only life you got
Don't look back, don't hesitate	So you gotta live it big time
When you go big time	Look around
What you want, what you feel	Everyone is shining now
Never quit and make it real	It's brighter somehow
When you roll big time	Look around
Hey, hey, listen to your (1) now	Nothing's really as it seems
Hey, hey, don't you (2) the rush?	Nothing but dreams
Hey, hey, better (3) your shot now	You and I
(Oh, oh, oh, oh)	Gonna make a brand new sound
Go on shake it up, what you gotta lose?	Like we own this town
Go and make (4) luck with the (5) you	We can fly
choose	Now our feet are off the ground
If you want it all, lay it on the line	And never look down
It's the only life you got	Welcome to the big time
So you gotta live it big time	All the pretty (9) seen walkin' in the sunshine
(Oh, oh, oh, oh)	Welcome to the good times
(Oh, oh, oh, oh)	Life will never be the same
Step it up, getting gear	Go on shake it up, (10) you gotta lose?
Go for broke, make it clear	Go and make your luck with the life you choose
Gotta go big time	If you want it all, lay it on the line
Make it work, get it right	It's the only life you got
Change the world (6) night	So you gotta live it big time
Gotta (7) big time	
Hey, hey, give it all you got now	If you want it all, lay it on the line
Hey, hey, isn't it a rush?	It's the only life you got
Hey, hey, finish what you start now	So you gotta live it big time
(Oh, oh, oh, oh)	
Go on shake it up, what you gotta lose?	
Go and make your (8) with the life you choose	
If you want it all, lay it on the line
